## Day 2 : The Wine Adventure Day

The Wine Adventure at Chateau Feely, French Wine Adventures HQ: a full day of wine discovery including lunch and two pocket guides starting at 10h and finishing around 16h. On this day we explore the history of wine, winegrowing, wine types, varietals, geography and how our region compares to french and international wines, understanding wine labels and wine storage, the theory of wine tasting.

Caro, your guide and a certified Wine teacher will discuss the technique of wine-tasting 'a la francaise'. We will discuss the principles of wine and food pairing followed by a lunch that illustrates them. In the afternoon we move onto how wine is made including a visit into the winery. For a true winemaker experience add the option 'Play Winemaker' to your afternoon and blend your own unique bottle of wine, then bottle it yourself to take home a truly special souvenir of your trip.

We guarantee you will leave this day with new knowledge, a different perspective on wine and winemaking and a thirst for more (knowledge...).

| *'So interactive and friendly: a must do!'*

*Dinner suggestion for this evening: Return to Saussignac or take a taxi to Famille Moutier (a wonderful Perigourdine experience perfect for gourmands) or Chateau Vigiers (a 4 star chateau hotel with Michelin star restaurant).*

Return to Gardonne station or we can book a taxi to take you to Bergerac airport as required.

It is time to say goodbye or as we say in French 'au revoir' 'until next time'. We look forward to seeing you back perhaps for a certified wine course, our five day temptation tour, a multi day vineyard walking tour or to enjoy relaxing in the Wine Lodge.
