

Saving our Skins

The 2nd book of 3 in Caro Feely's series about adventures on an organic vineyard in France

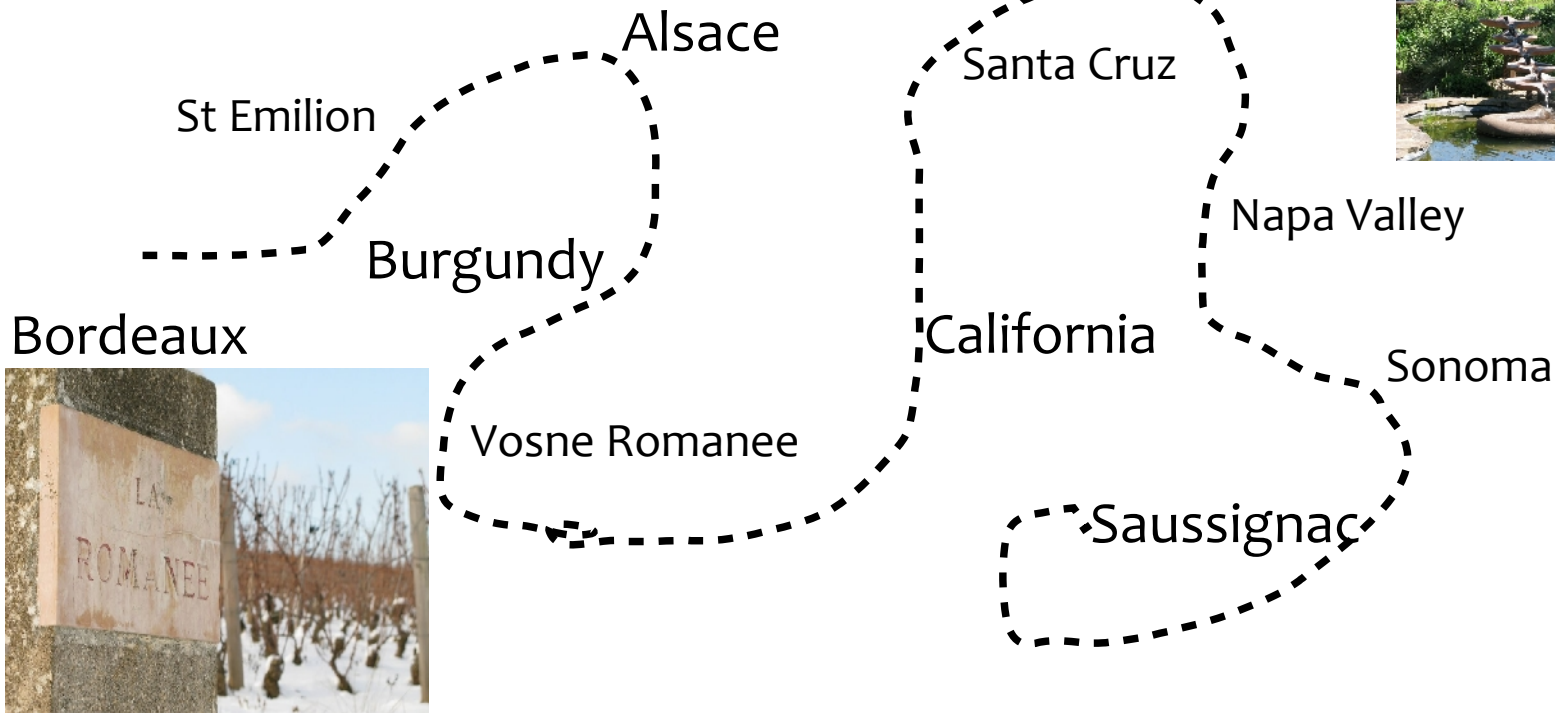

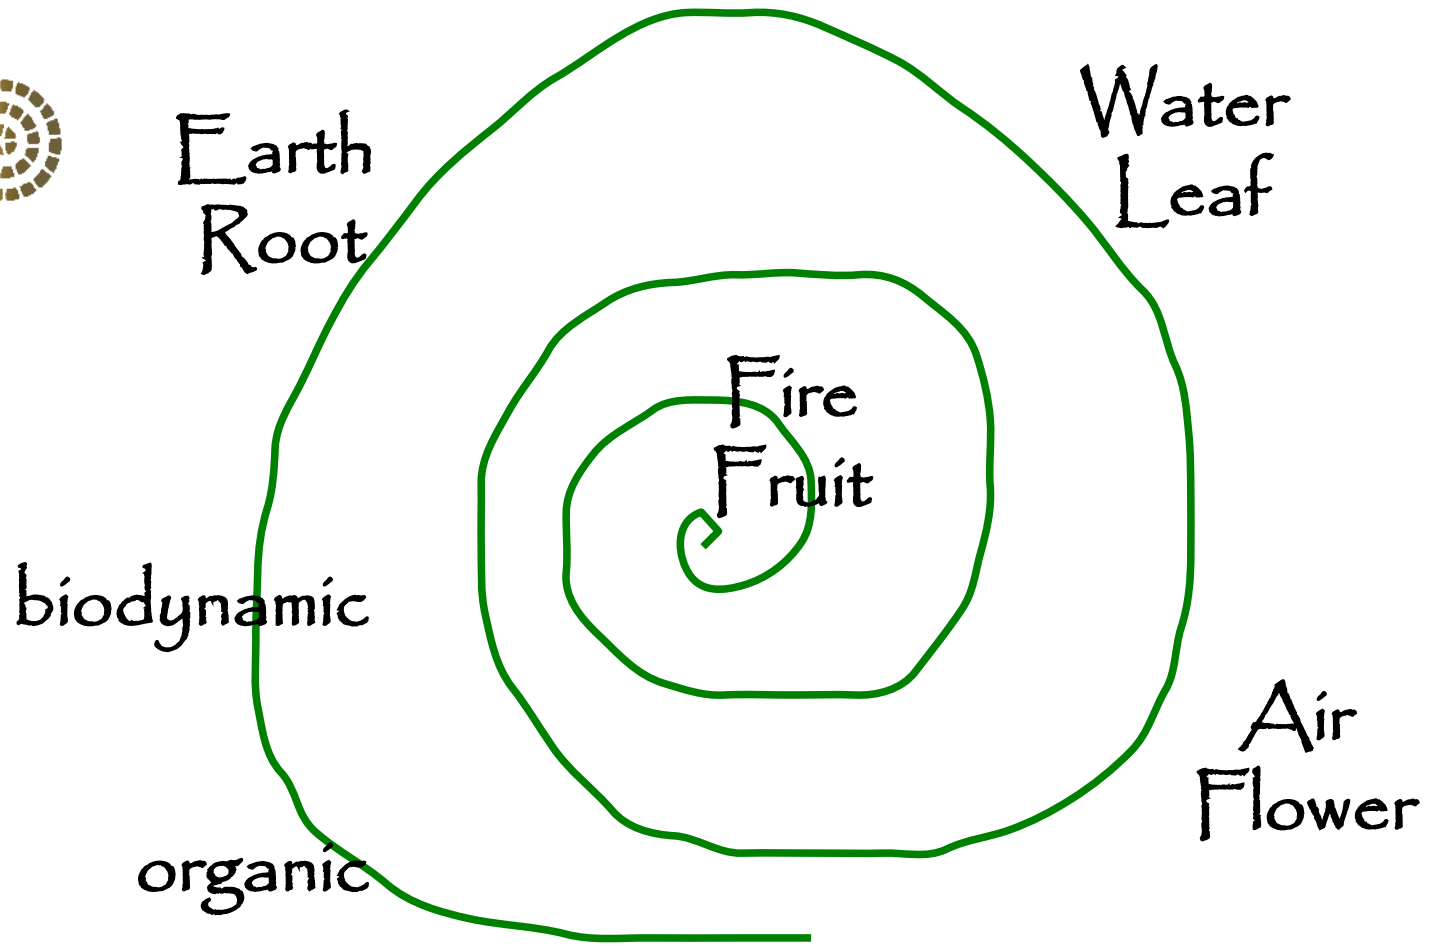

Imagine you had invested a decade and all your savings in a dream... And its about to be destroyed.

...By a freak frost. But a chance call takes you on a journey...

To discover inspirational vineyards

And new thinking...

That could just save your skin.

And leave you with a message you have to pass on.

Praise for Saving our Skins

'earnest and winning'

'sincere and passionate'

The New York Times

Praise for Saving our Skins

'beautifully written ... in turn, it
seduced and terrified me'

Samantha Brick, author and TV producer

Praise for Saving our Skins

by Caro Feely

'could inspire you to ... move to the backwaters of France, and bet your life, all for the love of making wine'

Alice Feiring, author of Naked Wine

Praise for Saving our Skins

by Caro Feely

'Even a teetotaler will drink up every page of Saving our Skins [...] fascinating behind-the-scenes of organic farming.'

Kristin Espinasse, French Word a Day

Praise for Saving our Skins

by Caro Feely

'Saving Our Skins entertains and informs.[...]
Required reading for wine lovers everywhere.'

Mike Veseth, author of Wine Wars, Extreme
Wine and editor of The Wine Economist.
