Accommodation: The Wine Lodge

The Wine Lodge, on the organic and biodynamic vineyard of Chateau Feely, is renovated from a stone barn dating to the 1800's. It offers 2 luxury en suite bedrooms (one can be twin), each with independent access, and a large open plan kitchen, dining and living area with a large wooden terrace for enjoying the views. The living space is shared when booked B&B. The rooms all have private entrances.

Fully equipped, beautifully furnished and ecologically constructed: this is the ideal place to indulge your love of wine.

Underfloor heating makes this as much a wonderful winter escapade as a summer one. Poplar paneling on the ceilings, old stone, high ceilings and natural materials add to the feeling of space and luxury. We look forward to welcoming you in this magical place.

There is an internet connection in the shared space of the Wine Lodge and WIFI in courtyard. Nature's TV is available through the windows where along with the stunning views, deer, birds and hare are regularly seen (no normal TV).
