

About Chateau Feely

When South African and Irish roots meet a passion for wine and organic farming it creates something special called the Feely Vineyard. Feely wines are 100% organic, our goal is to make great wines. Now there is a deeper way to experience Feely wines – the Feely family Wine Club.

Why join Feely Family Wine Club?

As a wine club member, you'll be invited to special events. New wines will be made available to you first and certain exclusive wines and Feely library wines (older vintages) will be made available exclusively to wine club members. You'll also receive reductions exclusive to club members.

To be part of the club is free- all you need to do is sign up to receive a box or two of wine twice a year - a mix of red and white or reds only. A personal touch will be added to each case.

We would be delighted to welcome you to the Feely Club and look forward to sharing great wine moments with you.
