## Full Day Adventures

### The Wine Adventure Day

The Wine Adventure is a full day of wine discovery including lunch and two pocket guides starting at 10h and finishing around 16h.

On this day you explore the history of wine, wine-growing, organic and biodynamic, wine types, varietals, geography, *terroir* and how Aquitaine - Bordeaux and Bergerac - region compares to other french regions.

Caro will guide you through the technique of wine-tasting 'a la francaise'. You discuss the principles of wine and food pairing followed by a lunch that illustrates these principles. In the afternoon we talk about how wine is made including a visit to the winery. For a true winemaker experience add the option 'Play Winemaker' (see below).

We guarantee you will leave this day with new knowledge, a different perspective on wine and wine-making and a thirst for more knowledge.

*'So interactive and friendly: a must do!'*

Price: 99 euro per person. Min 2 people.

## Play Winemaker for a Day

Have you ever wondered what it is like to be a winemaker? Come to Château Feely for an exclusive experience - a day of exploration which includes blending your own unique wine to take home. Learn about harvest (the weather, the grape quality), how the grapes are transformed after the harvest and what happens in the vineyard.

After a wine and food pairing lunch you blend your own individual red wine using 3 barrel / vat samples, then bottle it: a truly unique souvenir.

Price: 175 euro per person (this is the total price including the blending, your bottle to take home and morning and lunch described under the wine adventure above). Min 2 people.

## The Magic of Heaven & Earth Vineyard Walk

On the magic of heaven & earth vineyard walk we explore biodynamic and organic farming on a walk to Chateau Vigiers or the Relais de Monestier for lunch. Why does the moon have an effect on plants and on us? How can we use biodynamics? What makes biodiversity and biodynamics work? How does it affect the taste of the wines? The day includes visits to a biodynamic winegrower.

Price: 175 euro per person. Min 2 people.

| *“What a warm welcome. We are looking forward to coming back!”*
