*'Formidable! Great wine, great landscapes, great hosts, great company!'*

## Full Day Adventures

### The Wine Adventure Day

The Wine Adventure is a full day of wine discovery including casual cheese platter (vegan possible) and two pocket guides starting at 10h30 and finishing around 15h30.

On this day you explore the history of wine, winegrowing, organic and biodynamic, wine types, varietals, geography, *terroir* and how Aquitaine - Bordeaux and Bergerac - region compares to other French regions.

Caro will guide you through the technique of wine-tasting 'a la Française'. You discuss the principles of wine and food pairing followed by a casual wine and cheese pairing lunch (vegan possible) that illustrates these principles. In the afternoon we talk about how wine is made including a visit to the winery. For a true winemaker experience add the option 'Play Winemaker' (see below).

We guarantee you will leave this day with new knowledge, a different perspective on wine and winemaking and a thirst for more knowledge.

*'So interactive and friendly: a must do!'*

Price: 120 euro per person. Min 2 people. Timing: 10h30 to 15h30

## Play Winemaker for a Day

Have you ever wondered what it is like to be a winemaker? Come to Château Feely for an exclusive experience - a day of exploration which includes blending your own unique wine to take home. Learn about harvest (the weather, the grape quality), how the grapes are transformed after the harvest and what happens in the vineyard.

After a wine and cheese pairing lunch (vegan possible) you blend your own individual red wine using 3 barrel / vat samples, then bottle it: a truly unique souvenir.

Price: 180 euro per person (this is the total price including the blending, your bottle to take home and morning and lunch described under the wine adventure above). Min 2 people.

Timing: 10h30 to 16h

## The Magic of Heaven & Earth Vineyard Walk

On the magic of heaven & earth vineyard walk we explore biodynamic and organic farming on a walk to the Relais de Monestier for lunch. Why does the moon influence plants and us? How can we use biodynamics? What makes biodiversity and biodynamics work? How does it affect the taste of the wines? The day includes visits to a biodynamic winegrower.

Price: 180 euro per person. Min 2 people.

Timing: 10h30 to 16h

*"What a warm welcome. We are looking forward to coming back!"*

## Half day visits and short visits

### Visit 1 hour/ 3 wines

This tour includes a brief visit to the vineyard, winery and tasting three wines. Feely wines include natural no sulphite added wines, artisanal organic reds of character, refreshing dry whites and sweet wines.

Price: 15 euro per person. Min 2 people.

Timing: 16h (or at any time after 2pm based on availability)

### Discovery visit 2 hours/ 5 wines

An exploration of the appellations of the Bordeaux and Bergerac regions, the terroir and tasting of 5 organic wines. The Feely team share their passion for the vine and wine. This tour includes an in depth visit of the vineyard.

Price: 25 euro per person. Min 2 people. Timing: 10h30 to 12h30.

## Half day tour with wine and food pairing cheese picnic

The half-day tour guarantees fun, good food, fine wine and new knowledge. A visit of the vineyard is followed by an introduction to wine tasting and a discussion of the fundamental principles of pairing food and wine. We explain why things match rather than a listing of this with that. Did you know that creamy cheese goes with barrel aged white wine? Or that the same piece of meat cooked rare or well done will go with a very different wine? Products used for the cheese pairing (vegan possible) lunch are certified organic and often local including produce from Feely farm.

Price: 60 euro per person. Minimum 2 people, maximum 16 people. Timing: 10h30- around 13h30

## Special Events: Harvest Weekend

Vine shareholders and clients are invited to a harvest weekend to handpick and then stomp grapes. The weekend includes an organic picnic at midday, a harvest festival dinner, and a gourmet vineyard walking tour. It takes place on the first weekend of October.
