Full Day Adventures

The Wine Adventure Day

The Wine Adventure is a full day of wine discovery including casual pairing platter (vegan possible) and two pocket guides starting at 10h30 and finishing around 15h30.

On this day you explore the history of wine, winegrowing, organic and biodynamic, wine types, varietals, geography, *terroir* and how Aquitaine - Bordeaux and Bergerac - region compares to other French regions.

Caro will guide you through the technique of wine-tasting 'a la Française'. You discuss the principles of wine and food pairing followed by a casual wine pairing lunch (vegan possible) that illustrates these principles. In the afternoon you discover how wine is made including a visit to the winery. For a true winemaker experience add the option 'Play Winemaker' (see below).

We guarantee you will leave this day with new knowledge, a different perspective on wine and winemaking and a thirst for more knowledge.

'So interactive and friendly: a must do!'

Price: 125 euro per person. Min 2 people. Timing: 10h30 to 15h30

Play Winemaker for a Day

Have you ever wondered what it is like to be a winemaker? Come to Château Feely for an exclusive experience - a day of exploration which includes blending your own unique wine to take home. Learn about harvest (the weather, the grape quality), how the grapes are transformed after the harvest and what happens in the vineyard.

After a wine pairing lunch (vegan possible) you blend your own individual red wine using 3 barrel / vat samples, then bottle it: a truly unique souvenir.

Price: 180 euro per person (this is the total price including the blending, your bottle to take home and morning and lunch described under the wine adventure above). Min 2 people.

Timing: 10h30 to 16h

The Magic of Heaven & Earth Vineyard Walk

On the magic of heaven & earth vineyard walk we explore biodynamic and organic farming on a walk to the Relais de Monestier for lunch. Why does the moon influence plants and us? How can we use biodynamics? What makes biodiversity and biodynamics work? How does it affect the taste of the wines? The day includes visits to a biodynamic winegrower.

Price: 195 euro per person. Min 2 people.

Timing: 10h30 to 16h

"What a warm welcome. We are looking forward to coming back!"

New One Day Yoga & Wine Retreat

Yoga Retreat Day – a day of peaceful yoga, nature, luscious food and a mindful wine experience at Château Feely. Treat yourself to a mini retreat - a day of yoga, nature, and mindful wine-tasting.

Discover wine tasting with a focus on senses and tasting meditatively. Then we stroll to a delightful restaurant for a luscious 3 course lunch (please notify us on booking if you are vegetarian or have special food needs). In the afternoon you explore restorative yoga and meditation. The yoga is suitable for beginners.

When: possible Monday, Thursday or Friday 10h30 to 16h

Minimum booking is 2 people and maximum 12 people.

Price: 150 euro per person. Reservation at least 24 hours in advance.

***New* One Day Course on French Wine Regions**

including 3 course lunch and ten different wines

French wine can be confusing. Part of the secret to understanding wine is understanding geography and grape varieties. In this course we discover the major wine regions of France and wine tasting. You will taste 10 different wines from across France.

Reservation min 48 hours in advance.

Price: 250 euro per person. Min 2 people. Timing: 10h30 to 16h

Half day visits and short visits

Visit 1 hour/ 3 wines

This tour includes a brief visit to the vineyard, winery and tasting three wines. Feely wines include natural no sulphite added wines, artisanal organic reds of character, refreshing dry whites and sweet wines.

Price: 20 euro per person. Min 2 people.

Timing: 16h (or at any time after 2pm based on availability)

Discovery visit 2 hours/ 5 wines

An exploration of the appellations of the Bordeaux and Bergerac regions, the terroir and tasting of 5 organic wines. The Feely team share their passion for the vine and wine. This tour includes an in depth visit of the vineyard.

Price: 30 euro per person. Min 2 people. Timing: 10h30 to 12h30.

Half day tour with wine and food pairing platter

The half-day tour guarantees fun, good food, fine wine and new knowledge. A visit of the vineyard is followed by an introduction to wine tasting and a discussion of the fundamental principles of pairing food and wine. We explain why things match rather than a listing of this with that. Did you know that creamy cheese goes with barrel aged white wine? Or that the same piece of meat cooked rare or well done will go with a very different wine? Products used for the cheese pairing (vegan possible) lunch are certified organic and often local including produce from Feely organic farm.

Price: 65 euro per person. Minimum 2 people, maximum 18 people. Timing: 10h30- around 13h30

Special Events: Harvest Weekend

Vine shareholders and clients are invited to a harvest weekend to handpick and then stomp grapes. The weekend includes an organic picnic at midday, a harvest festival dinner, and a gourmet vineyard walking tour. It takes place on the first weekend of October.
